DANIEL BURROS

Captain [REDACTED], Reading Pa., Police Department, advised as follows on October 31 and November 1, 1965:

b6
b7C

At approximately 10:28 a. m., Sunday, October 31, 1965, ROY E. FRANKHOUSER, Jr., 133 South 4th Street, Reading, Pa., telephoned the police requesting an ambulance and patrol car saying a man living with him had just shot himself.

Officers arriving moments later found an unknown white male lying on the floor in the second floor front living room at 133 South 4th Street. ROY E. FRANKHOUSER, Jr., JEAN KUPCISZEWSKI and FRANK W. ROTELLA, Jr., were on the first floor at that address. BURROS, the individual on the floor, was identified by the three and was already dead. A .32 caliber Harrington and Richardson revolver, serial number A 32697 lay about six inches from his right foot. This gun which had apparently just been fired contained two fired and three live rounds. There was a bullet hole

DANIEL BURROS

in the right temple of the body and a wound surrounded by powder burns on the left side of the chest about two inches to the right of the left nipple. The three witnesses gave the following stories:

ROY E. FRANKHOUSER, Jr., said he had known BURROS for about five years. Subject came to Reading two weeks ago, had been staying at 133 South 4th Street which is owned by FRANKHOUSER's father and sleeping in a rear bedroom on the first floor. FRANKHOUSER's father is in a Veterans' Administration Hospital, believed to be in Brooklyn, N. Y. According to FRANKHOUSER, BURROS left for New York City Wednesday morning, October 27, 1965 to check on a job and to visit his parents. He returned to Reading Friday evening, October 29, 1965 by bus, at which time he said he was ruined and that he would kill or had threatened to kill a New York Times reporter named [redacted]. BURROS tried to get a New York Times newspaper Friday evening without success but secured one Saturday morning and determined there was nothing concerning him in that paper. Sunday morning BURROS left 133 South 4th Street between 9:45 and 10 a. m. to buy a New York Times. He returned home, slammed the door and ran upstairs saying something to the effect, "I've got to get a pistol." FRANKHOUSER said he was in a rage, grabbed the pistol from the top of the bureau in FRANKHOUSER's bedroom and shot himself in the chest; however, he did not fall. FRANKHOUSER immediately ran downstairs to send for assistance and while downstairs, he heard another shot. As he started upstairs, KUPCISZEWSKI and ROTELLA came down and said, "He's dead." According to FRANKHOUSER, the pistol used by BURROS has been in FRANKHOUSER's possession approximately one year having been found at that time by FRANKHOUSER's father in the basement of the house, apparently abandoned or forgotten by a former tenant.

JEAN KUPCISZEWSKI, age [redacted], 133 South 4th Street, told the police she had known BURROS about six months having met him through FRANKHOUSER. She said BURROS went to New York Thursday, October 28, 1965 and when he returned the next day, he "was in a rage." He told her, FRANKHOUSER and ROTELLA at that time that a New York Times reporter named [redacted] had "gotten hold of his background" and if it was printed,

DANIEL BURROS

he would kill himself. BURROS also told them that while in New York City, he told [] he would kill him if this material was printed. Saturday, October 30, 1965, BURROS purchased a New York Times and was relieved to find no story concerning him therein. About 10 a. m., Sunday, October 31, 1965 BURROS left the house and returned about 10:00 or 15 minutes later. He dashed upstairs saying, "I'll kill myself." FRANKHOUSER tried to calm him but BURROS grabbed a pistol and pointed it at his chest. KUPCISZWESKI closed her eyes and heard a shot but then saw BURROS still standing and thought he had missed himself. FRANKHOUSER immediately dashed downstairs. Then BURROS raised the pistol to his temple and she heard another shot followed by a falling body. She immediately ran downstairs.

b6
b7C

FRANK WILLIAM ROTELLA, Jr., told the police he had known BURROS about five years and when approximately 10 days ago he stopped at 133 South 4th Street to see FRANKHOUSER, he found BURROS staying there. ROTELLA remained in Reading about one and a half days and then left to "take care of business out of state." He returned to Reading about 11 p. m., Thursday, October 28, 1965. BURROS was not there at the time. Subject came back about 6 p. m., Friday, October 29, 1965. BURROS on that occasion was overwrought and said he had a problem with a New York Times reporter named [] who was going to "smear his reputation" unless BURROS would consent to an interview. BURROS told ROTELLA and the others that he had lost his temper and said things he did not intend to say. Friday evening, BURROS and ROTELLA went for a long walk and he calmed down considerably; however, on return to the house he asked for and received from FRANKHOUSER a pistol for "self-protection." Saturday morning, BURROS and FRANKHOUSER purchased a New York Times and BURROS was relieved after reading it and it contained no story regarding him. Sunday morning, October 31, 1965, BURROS again left and returned a half hour later at approximately 10:15 a. m. ROTELLA was with FRANKHOUSER and KUPCISZEWSKI at 133 South 4th Street during the interim. They heard BURROS come in and slam the door. ROTELLA went to BURROS as he was glancing over the New York Times on the first floor rear bedroom. After a moment,

b6
b7C

DANIEL BURROS

BURROS said, "This is going to destroy me." ROTELLA tried to calm subject but BURROS dashed upstairs and ROTELLA heard sounds as if furniture were being struck and kicked. According to ROTELLA while BURROS was out, ROTELLA had taken the gun previously loaned to BURROS by FRANKHOUSER and given it back to FRANKHOUSER. After hearing the noises, ROTELLA dashed upstairs just in time to see BURROS grab the gun and shoot himself in the chest. FRANKHOUSER immediately dashed downstairs. BURROS remained standing and appeared dazed. He then raised the gun to his temple and shot himself again. ROTELLA dashed downstairs to find FRANKHOUSER on the telephone.

On November 1, 1965, DANIEL BURROS' parents came from New York and identified the body. They are making arrangements to have it cremated today if possible. They told the police that subject only recently joined the Klan. They said he had worked as a printer in Manhattan until fired about two weeks ago after New York newspapers contained stories linking him to the Klan.

The police department has taken paraffin casts of BURROS' hands as well as those of FRANKHOUSER, KUPCISZEWSKI, and ROTELLA, but results of this examination and of the autopsy which is being conducted have not yet been received. The local police are convinced BURROS committed suicide.

A confidential source who has furnished reliable information in the past and who is acquainted with FRANKHOUSER, BURROS, advised on October 31 and again on November 1, 1965, that he has heard nothing to indicate that the facts as related by FRANKHOUSER, KUPCISZEWSKI and ROTELLA are not accurate.

U.S. Committee Investigating Klan Subpoenas Frankhouser to Testify

By ROBERT A. CHARLANZA
Staff Writer

Roy E. Frankhouser Jr., head of the Pennsylvania Ku Klux Klan, has been subpoenaed to appear Nov. 15 before the House Un-American Activities committee in Washington, D.C., the Times learned Tuesday.

A reliable source said Frankhouser has been served with a subpoena to appear before the committee, which is investigating the KKK in the United States.

Frankhouser was informed Oct. 21 that he was on the list of possible federal witnesses. At the same time, the committee released a story listing Frankhouser as the Grand Dragon of Pennsylvania and the late Daniel Burros of Queens as the top Klan official in New York State.

Burros committed suicide in Frankhouser's Reading apartment

last Sunday morning before he could be served with a subpoena to appear before the committee.

Burros' body was cremated privately in Reading Tuesday morning without services.

His ashes were put into an urn and entombed in the Charles Evans Cemetery, 1119 Centre Ave. His parents were not present.

John P. Feeney, funeral director, and an aide were the only persons present for the burial.

Burros shot and killed himself in the apartment of Frankhouser at 133 S. 4th St. after

reading a news story which exposed Burros' Jewish origin.

Meanwhile, Tuesday, Frankhouser confirmed reports that there will be a special Klan service in honor of Burros at Rising Sun, Md., Saturday, when Robert M. Shelton, imperial wizard of the United Klans of America, is scheduled to appear.

However, Frankhouser wouldn't confirm the report that he has received a subpoena to appear before the federal committee Nov. 15.

But, the Klan leader did say he will move from his apartment. He indicated his decision to move was a result of a Times story Tuesday in which his mother pleaded that he leave the apartment where "he is a sitting duck."

Despite the fact that Frankhouser's KKK affiliation was made public Oct. 21 and he apparently was shot at the next

night, local and state police said they were not guarding him.

A Federal Bureau of Investigation agent here said that the federal organization is not protecting Frankhouser.

Before the committee hearings began several weeks ago, the committee said police protection would be granted to federal witnesses.

Daniel Burros, center, who committed suicide in Reading Sunday after his Jewish origin was disclosed publicly, is shown in May 1961 when he was a member of the American Nazi Party. At left is George Lincoln Rockwell, head of the Nazi party.

Burros was a top organizer of the Ku Klux Klan in New York State and was being sought for questioning by the House Un-American Activities Committee, which is investigating the Klan in the United States.—UPI Telephoto.

Mother Terms Klan Dragon 'A Sitting Duck'

Special to The Inquirer

READING, Nov. 2—The mother of the grand dragon of the Pennsylvania Ku Klux Klan thinks her son should come home and forget the whole thing.

The KKK business obviously isn't so good in this State. The 25-year-old grand dragon, Roy Frankhouser, is penniless, frustrated and in danger, his mother says.

Mrs. John Eben, of nearby West Wyomissing, says she has had a premonition that something terrible would happen to her son.

PREMONITION IN SUICIDE

She said she also had a premonition earlier that something was going to happen to her son's friend, Daniel Burros, 28, the grand dragon of New York.

What happened was that Burros killed himself with a pistol Sunday in Frankhouser's Reading apartment in full view of Frankhouser, a girl friend, Regina Kupizewski, and the New Jersey grand dragon, Frank Rotella, 28.

Frankhouser told police that Burros took one look at a New York Times story revealing his Jewish background and fired away. Both Burros and Frankhouser had been members of the anti-Jewish American Nazi Party. Klan membership is usually open only to white Protestants.

SON IS 'SITTING DUCK'

Mrs. Eben thinks Frankhouser should quickly leave the tiny, cluttered apartment behind his father's old barber shop and come to live with her—or else get out of town.

"My son is a sitting duck," she said without saying who she thought was after him.

The brown-eyed, slender woman said her son has told her he never wanted to get in so deep.

Frankhouser hasn't followed his mother's advice about leaving the apartment yet but he says he will. But he didn't say where he'd go.

FATHER REPORTED ILL

A reporter who went into the place with county detectives found it a junk heap. The two-story building is owned by Frankhouser's father, Roy E. Sr., who according to Mrs. Eben is ill in an out-of-State hospital.

Mrs. Eben's husband, John, is a juvenile probation officer in Berks county. He is a former detective and a former State trooper.

"Roy was 20 when I married John," said Mrs. Eben. "He was too old then for John to help him."

Mrs. Eben divorced the elder Frankhouser when Roy was 10. A custody battle ensued and Roy spent three years in the Berks County Children's Home. Mrs. Eben claims this stay embittered her son.

Klan Suicide Buried Secretly

Special to The Inquirer

READING, Nov. 2.—The ashes of Daniel Burros, the vehemently anti-Jewish Ku Klux Klansman who shot himself when his Jewish background was made public, were secretly interred somewhere in Berks county Tuesday.

Burros' parents, Mr. and Mrs. George Burros, attended neither the cremation nor the burial. They returned to New York City on Monday afternoon by train after identifying their son's body in a Reading hospital.

BODY CREMATED

The body of 28-year-old former American Nazi Party pamphleteer was cremated and the ashes were buried in a non-sectarian cemetery.

Reading Detective Capt. John Canfora said paraffin tests completed at the State Police laboratories near Harrisburg indicate that Burros fired both of the shots which killed him Sunday in the Reading apartment of Roy E. Frankhouser, Pennsylvania Klan leader.

TESTS NEGATIVE

The tests showed no evidence of powder burns on the hands of Frankhouser, his girl friend, Regina Kupiszewski, and Frank Rotella, a New Jersey Klan leader, who witnessed the Sunday morning shooting when Burros went into a rage after seeing a story exposing his Jewish background in a New York newspaper.

There were powder burns on Burros' right hand, police said.

KLANS HEAD ANGRY

Meanwhile, in Washington, the Grand Imperial Wizard of the United Klans of America, Robert Shelton, castigated the House Un-American Activities Committee and the New York Times (which printed the expose on Burros) for causing the Klansman's death.

Shelton said, however, that Burros was not a Grand Dragon, but merely "an organizer and a good efficient one" for the Klan.

Shelton said the committee and the paper were "eager to brand this young American with their own un-American tarbrush of deceit, insinuation and racism."

In Reading, detectives marked the case on Daniel Burros closed.

A reporter who went into the place with county detectives found it a junk heap. The two-story building is owned by Frankhouser's father, Roy E. Sr., who according to Mrs. Eben

is "ill in an out-of-State hospital."

Mrs. Eben's husband, John, is a juvenile probation officer in Berks county. He is a former detective and a former State trooper.

"Roy was 20 when I married John," said Mrs. Eben. "He was too old then for John to help him."

Mrs. Eben divorced the elder Frankhouser when Roy was 10. A custody battle ensued and Roy spent three years in the Berks County Children's Home. Mrs. Eben claims this stay embittered her son.

October 26, 1965

On Friday night, Oct. 22, 1965, a public rally of the United Klans of America, Inc. (UKA), Knights of the Ku Klux Klan was held in Chesterfield County, Virginia. The rally was held in an open field off Jessup Road. Two men dressed in Klan robes and a sign marked "UKA Rally" were observed on Route 10 at Jessup Road showing directions to the rally site. They were observed at approximately 7:40 P.M.

ROBERT SHELTON, the Imperial Wizard of UKA, from Alabama, was advertised as the main speaker. SHELTON addressed the rally along with BOB HORNEMAN from Raleigh, North Carolina, who was announced as the Grand Dragon from Virginia. J. R. JONES, the Grand Dragon from North Carolina, also spoke. A young man dressed in a Klan robe and introduced as chaplain also spoke. He was not mentioned by name.

Before the rally began, music was played on the loud speaker system. The rally began at about 8 PM and lasted almost two hours; however, it was almost 11 PM before some of the cars could get away from the field due to the large number of automobiles there. Approximately 3,000 people were present. Cars with Howell and Henrico, Virginia, tags were observed. Also an out-of-state license, believed from Massachusetts, was observed.

A collection was taken and a good number of people were observed donating. The amount received was not announced. UKA literature was distributed at the rally.

WILBUR SCHMIDT from Ettrick, Va., was not observed at the rally. HARVEY DANCE the resident of [redacted] in Ettrick, Virginia, was present at the rally. Most of those present were observed to be young people and the appearance of those present indicated they were of the lower middle-class group. b6 b7C

One of the speakers at the rally mentioned that the Grand Dragon from Pennsylvania who was scheduled to speak could not be present.

They did not burn a cross at this rally. The people who attended the rally were orderly.

Racial conditions remain as before. There is no tension between the races, and no indication of any violence or potential violence because of racial discrimination or feelings. The local colored population has been following the articles in the papers regarding the so-called KKK in Reading, Pa., and all are laughing at the stories. They joke about the reported shooting at FRANKHOUSER, and do not consider him worthy of their notice.

ROY E. FRANKHOUSER, JR.

Detective [redacted], Reading, Pa., Police Department, advised October 24, 1965, that on the day previous Roy E. Frankhouser, Jr., 133 South 4th Street, Reading, Pa., told the Reading Police that Thursday evening, October 21, 1965, someone had fired a shot into the second floor living room at his home where he and other "right wing leaders" were sitting. Detective [redacted] said that the term "right wing leaders" had been used by Frankhouser in calling the police and that he had not elaborated upon it.

b6
b7C

The police department report concerning this matter reflects that at 3:18 p.m., Saturday, October 23, 1965, Roy Frankhouser of 133 South 4th Street, telephone 376-7591, called City Hall and asked that an officer be sent there. At this time, Frankhouser said that he had been shot at while in the company of other "right wing leaders" in his home. Detective [redacted] was detailed to see the complainant, and Frankhouser reported the following:

b6
b7C

Last Thursday night about 11:20 p.m., he was sitting in the living room at that address located on the second floor, fronting on 4th Street. With him at the time were Regina Kupiszewski and Hans Schweikert, both of Reading, Daniel Burros of New York, and Frank W. Rotella, a Washington, D.C., attorney. The five were talking and suddenly heard a thud. Frankhouser said it sounded like a weapon equipped with a silencer, but at that time, they thought no more of it; however, this afternoon (October 23, 1965) around 2 p.m., Frankhouser noticed water leaking from a plastic bowl on a table near the window. He checked the bowl and noted a bullet hole which appeared to have come through the open

window from across 4th Street. Detective [] and the complainant searched for the projectile with negative results. Miss Kupiszewski stated that on the night of the incident the window had been opened about one foot. The police department report indicates that according to the holes in the bowl, the shot, if such it was, probably came from the roof of the Reading Auto Spring Works, 142 South 4th Street. Footprints were located in the yard behind this business. A ladder was standing against the back wall giving access to the roof, and 57 cents in change was found on the roof at the front corner nearest 133 South 4th Street. No further investigation or evidence was located by the police.

"Subsequent publicity in the Reading Eagle and Reading Times, daily newspapers, has identified Frank W. Rotella, not as a Washington, D. C., attorney as Frankhouser originally told the police, but as being from New York City, N. Y., and as head of the United Klans of America, KKK, in New Jersey.

A characterization of the UKA, KKK, is attached hereto.

A source who has furnished reliable information in the past advised October 24, 1965, that Regina Kupiszewski is Roy Frankhouser's girl friend, and she resides with Frankhouser at 133 South 4th Street, Reading, Pa. He said that Hans Schweikert is an avowed Nazi and follower of George Lincoln Rockwell and the American Nazi Party.

A characterization of the American Nazi Party is attached.

Source further stated that Daniel Burros, Grand Dragon of the UKA for New York, and Frank Rotella, Burros's assistant, had been "hiding out" in Reading, Pa., because they were being sought to testify before the HCUA in hearings presently being conducted in Washington, D. C., regarding the Klan.

Source quoted Frankhouser as saying after newspaper publicity reported the shooting that "someone, (possibly) a racketeer or (possibly) for 'political reasons' tried to shoot me."

(1)

AMERICAN NAZI PARTY OF THE WORLD UNION OF FREE
ENTERPRISE NATIONAL SOCIALISTS, aka
THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World", copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP-WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader", a Richmond, Virginia, daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth "the attainment of power through the votes of the newly-won masses."

On September 16, 1965, the source advised that George Lincoln Rockwell believes he has completed the first three phases in his struggle for power and is now into the fourth stage, to wit, the "attainment of power through the votes of the newly-won masses." The source stated Rockwell believes this because of his success in gaining a place on the ticket in the November, 1965 gubernatorial election in the State of Virginia.

JOHN CANARIS delivered to RICHARD SINGLETON the finished draft of the letter which is to be sent to ROBERT DE PUGH of the Minutemen, asking that FRANKHOUSER be removed as area coordinator. This will be signed by the Minutemen and then mailed to Missouri.

SINGLETON spoke of arranging a hunting trip soon. It is believed he was not speaking of a training session or exercise, because he told CANARIS to get a hunting license if he did not already have one.

Arrangements are being made for SINGLETON and CANARIS to go either to Minersville, Pa., or to the headquarters of the Minersville group where WALACAVAGE will instruct CANARIS in the elements of photography.

HANS SCHWEIKERT is presently staying with SINGLETON at the latter's parents home in Laureldale, Pa. He is not paying any board or rent. [redacted] the man for whom SCHWEIKERT had formerly worked in Ocean City, N.J. and one of [redacted] men are the individuals for whom SINGLETON and SCHWEIKERT are making the "night light dog novelties".

Reportedly ROY FRANKHOUSER has accused [redacted] SINGLETON of being the person who shot at him the evening of 10/21/65. FRANKHOUSER said SINGLETON had fired a "varmint type bullet" [redacted] at him.

At about 1 PM this date ROY FRANKHOUSER, Jr. who was then at his home, 133 S. 4th St., Reading, Pa., JEAN KUPISZEWSKI was also there. FRANKHOUSER said the police had been very polite to him. They had returned the fishbowl with the bullet hole in it and told him that "ballistic examination reflected the bullet had been a '.222 varmint type bullet'". This spent bullet had not been located.

SINGLETON said he had another 5,000 sheets of paper to run off more propaganda, but he and SCHWEIKERT have been too busy making the dog-night-lights.

SCHWEIKERT was at SINGLETON's home, he has a [redacted] just purchased for cash.

Frankhouser to Appear Before House Committee

Roy E. Frankhouser Jr., 25-year-old reputed leader of the Ku Klux Klan in Pennsylvania, will appear before the House Un-American Activities Committee in Washington, currently investigating the KKK, it was reported today.

Frankhouser, of 133 S. 4th St., this morning said that it was "common knowledge" that he was going to appear before the committee, but he would neither give a direct yes or no answer when asked if he was subpoenaed to appear in Washington. It has been reported that the admitted right-wing segregationist will go before the committee on Monday, Nov. 15.

Frankhouser was reluctant to discuss the subpoena and the burial yesterday of his friend Daniel Burros, who shot and killed himself in Frankhouser's apartment Sunday after he was exposed as a Jew in the KKK. But Frankhouser did say that a published report in the Eagle that a picture of Hermann Goering was found in Frankhouser's apartment was false.

Frankhouser said that the picture, described as a pencil drawing, was really that of a French general, whom Frankhouser could not identify, but he offered to show the picture to an Eagle reporter.

When quizzed about Burros's burial yesterday, Frankhouser said he would make no comment. The 28-year-old Queens, N.Y. man was identified Sunday in an article in the New York Times as the King Klegg of the KKK in New York with a Jewish background. Burros reportedly killed himself because of that identification.

Burros's body was cremated and buried yesterday by the John Feeney Funeral Home here. The man's parents, Mr. and Mrs. Danile Burros, of Queens, N.Y. did not attend either service.

Feeney said this morning that a published report that the ashes of Burros were interred in Charles Evans Cemetery, on Centre Avenue, is erroneous. Feeney declined to say where the interment took place, but emphatically denied that it occurred in Charles Evans Cemetery.

Racist Ex-Con Spotted Here

A notorious Klansman who has a criminal record and is a Nazi was among the four "right wing leaders" conferring with Roy Frankhouser, Jr. last Thursday, Oct. 21, at the time Frankhouser alleges a sniper took a pot shot at him.

Although the man's name and location -- "Daniel Burros of New York City" -- appeared in published re-

(CONTINUED ON PAGE 18)

BURROS

(CONTINUED FROM PAGE 2)

ports of the "mystery bullet" occurrence, the man's nefarious background has not been publicized here.

Burros has a subversive record dating back for years, The Record has learned. An early adherent of George Lincoln Rockwell, unsavory "fuehrer" of the American Nazi Party, Burros split off from the main group and launched a Nazi party of his own.

It is called the "National Renaissance Party". Its symbol is a swastika under a rising sun. One of the most active members is Frankhouser.

This allegiance explains how Frankhouser can truthfully swear under oath that he is not a dues-paying member of the American Nazi Party -- as he did at a recent hearing -- and yet be an active Nazi.

Burros is editor and publisher of a piece of printed halitosis called the "Free American", a tabloid issued irregularly from a W. 42nd St. address in New York City.

As "contributing editor" the sheet lists none other than Roy E. Frankhouser of Reading. A post office box number here is listed for enthusiasts who wish to get in touch personally with Frankhouser, who is also billed as "Head of Security Police and Intelligence Service".

Burros, reportedly known also as "Burroughs", was sent to jail in New York City in June, 1964. He was arrested with seven members of his cult on charges of violating weapons laws, inciting to riot, and advocating criminal anarchy. Police found a cache of firearms and ammunition in possession of Burros and his group after a violent racial flareup at a diner.

Rounding out a full career, Burros (or Burroughs) was cited by the House Un-American Activities Committee last week as Grand Dragon of the Ku Klux Klan in New York state.

Burros is 28, wears glasses, has sandy hair, stands about 5 ft. 6 in., and police estimate he weighs about 200 pounds. Police here said he seemed "very reluctant" to give his name.

Also present at the meeting were Regina Kubi szewski and Hans Erich Schweikert of Reading and a man who said he was "Frank Rotella of Washington, D.C."

"RICHARD SINGLETON said that he had seen ROY FRANKHOUSER 'a couple days ago' but not since. On that occasion, according to SINGLETON, he had talked to ROY about the report in the paper concerning the attempt to shoot FRANKHOUSER and SINGLETON said he thinks FRANKHOUSER set up this himself, and that it is a 'phony.' SINGLETON said he did not shoot at ROY and does not believe anyone did. SINGLETON on 10/27/65 claimed to have no information about the whereabouts of FRANKHOUSER at the present time.

"SINGLETON also said that a couple days ago 'Old Man BECK' had asked him (SINGLETON) if he had read the article in the paper about the attempted shooting of FRANKHOUSER. SINGLETON said that obviously Old Man BECK knows more about the group than he should, and SINGLETON said that maybe they should get a new Headquarters.

"At about 3 PM this date JEAN KUPISZEWSKI said that ROY FRANKHOUSER was at home (133 S. 4th St., Reading, Pa.,) at that time but was busy, there were two detectives there who were investigating the attempted shooting. JEAN said that ROY was leaving town about 11 PM this evening, and was uncertain when he would be returning."

Following the recent suicide of DANIEL BURNES in Reading, Pa., the PD has received a number of "nut letters"; however, the PD's original contact with was a letter from him simply requesting the identity and address of a newspaper reporter familiar with the BURNES suicide. Captain assumed writer was a newspaper man and turned his original letter over to Reading Eagle reporter . in turn wrote to . His original letter together with the letter to Captain were received by the PD 11/8/65. The notations on letter aside from the typing were apparently added by and indicate the possibility that is a mental case.

UNITED KLANS OF AMERICA-
PENNSYLVANIA

On pages 45 and 52 of the November 4, 1965, issue of "The York Dispatch," a local newspaper, York, Pa., reflected an article entitled, "KKK Reactivated in Area, Chief Says." According to this article, ROY E. FRANKHOUSER, Grand Dragon of Pennsylvania's Ku Klux Klan (KKK) stated the Klan has been reactivated in Southern York County and other nearby counties during the past year and a half. When questioned if the Klan was recruiting in this area, FRANKHOUSER replied that there was no question about it, and he expected the KKK to be thoroughly organized in southeastern Pennsylvania counties by spring. He did say, however, that there are two Klaverns located in Philadelphia and additional Klaverns in suburban Philadelphia.

On November 8, 1965, SAM TAYLOR, feature writer, "New Era," a Lancaster newspaper, Lancaster, Pa., advised he had interviewed ROY E. FRANKHOUSER, JR., on November 6, 1965, during which FRANKHOUSER claimed to have one Klavern in South Lancaster County, Pa., but he refused to identify these members or indicate how many members were in the Klavern. FRANKHOUSER did indicate, however, that it takes 15 members to charter a Klavern.

On November 8, 1965, TAYLOR telephonically contacted FRANKHOUSER, at which time FRANKHOUSER agreed to contact his Klavern leaders in Lancaster County and let it up to them to determine whether their identity should be revealed to TAYLOR. TAYLOR further stated that his article containing this interview with FRANKHOUSER would most likely appear in his newspaper on November 8, 1965.

On page five of the November 8, 1965, issue of the "Daily News," a local newspaper in Philadelphia, Pa., appeared an article entitled, "There's a Klavern in the Town, Says Pa. Grand Dragon." According to this article

UNITED KLANS OF AMERICA -
PENNSYLVANIA

the Pennsylvania Grand Dragon of the KKK, ROY E. FRANKHOUSER, revealed that Klan has two Klaverns in Philadelphia and several Klaverns in the suburbs. He also disclosed he has set spring as the target date for the public emergence of Klan members all over the state. Each of these Klaverns have 15 to 20 members who meet privately but he refused to identify them. FRANKHOUSER also indicated that at the present time they will not tackle anything in the City of Philadelphia until they are sure they can guarantee enough strength to make a good show.

On page one of the November 8, 1965, issue of the "New Era", a newspaper in Lancaster, Pa., appeared an article in which ROY E. FRANKHOUSER, JR., Grand Dragon of the Pennsylvania Klan, indicated that one Klavern of the KKK is now organized in Lancaster County and the United Klans of America hope to start more in the spring. FRANKHOUSER stated this Klavern is located in the southern part of the county but he declined to pinpoint the exact location of this group or identify any of its members. According to FRANKHOUSER, winter weather hampers the meeting of the group and all further organizational efforts will be held off until spring.

A characterization of the United Klans of America is attached.

On November 8, 1965, a confidential source, who has furnished reliable information in the past and who is in frequent contact with FRANKHOUSER, stated FRANKHOUSER has indicated to him there are no Klaverns in Reading, Pa., or elsewhere in the state. This source also reported there is no indication that other members of FRANKHOUSER's "Free Corps" group have any sympathy for the Klan but lean toward the Minutemen and the American Nazi Party (ANP). This source further related that as of that date FRANKHOUSER had no plans for any Klan activity in the Reading area.

Characterizations of Free Corps and the ANP are attached.

(1)

FREE CORPS

The December, 1964 issue of the "Free American", a New York City publication of DAN BURROS, which contains news of numerous U. S. and foreign groups opposed to integration and considerable material commendatory of GEORGE LINCOLN ROCKWELL and his American Nazi Party under the heading, "New Fascist Commandos," announced the formation of the "Free Corps" and described it as a "para-military organization ** to assist other right wing groups ** and combat any red takeover with armed force." This same issue listed FRANKHOUSER as "Head of Security and Intelligence."

A source advised on June 20, 1965, that ROY E. FRANKHOUSER, JR., Reading, Pa., who is the leader of this Free Corps, claims this local group presently numbers about 12 members; they have on a number of occasions held meetings where judo and karate, bayonet practice and training in the firing of rifles, carbines, and handguns has been afforded them. The group has made and thrown "Molotov Cocktails" and exploded charges of dynamite, as well as homemade grenades.

The above source advised that a new member had affiliated with the group in about June, 1965. This man is, according to FRANKHOUSER, "an expert on bombs and explosives" and was designated on about August 5, 1965, to assume command of the group because of the "exposure of FRANKHOUSER" recently in the local papers. The same source advised on August 5, 1965 that the new leader, RICHARD JAMES SINGLETON, wants to kick FRANKHOUSER out because he is an adherent of ROCKWELL's American Nazi Party, and concentrate primarily on "Minutemen" affiliation, but this has not been accomplished as yet.

DANIEL BURROS

Detective Captain [REDACTED], Reading, Pennsylv-
ania, Police Department, advised as follows on November 8,
1965:

b6
b7C

The Pennsylvania State Police have advised that they
have no record of the Harrington and Richardson revolver, Serial
Number A 32697, with which BURROS committed suicide.

The Pennsylvania State Police also have advised that
ballistics examination of the weapon, the fired cartridge cases
in the cylinder, and the two slugs removed from BURROS' body at
the autopsy, reflected that the cartridges were fired in that
weapon, and that the two slugs also had come from that particular
weapon.

Insofar as the Reading Police are concerned, the death
of BURROS is suicide, as previously reported, and they contem-
plate no further action.

A confidential source, who has furnished reliable in-
formation in the past, advised on November 8, 1965, that ROY E.
FRANKHOUSER, JR., Reading, Pennsylvania, leader of the United
Klans of America, Inc., Knights of the Ku Klux Klan (UKA, KKK),
had returned to Reading on November 7, 1965, from a Klan memorial
service held at Rising Sun, Maryland, where FRANKHOUSER had been
the principal speaker, in the absence of ROBERT SHELTON.

FRANKHOUSER said that the memorial was well attended
and was a "huge success."

Saturday, October 23, 1965

Saturday evening at 6 PM the following met at the Headquarters:

ARLAN BECK

JOE ERUNNER

JOHN CANARIS

HANS SCHWEIKERT

ED LOTZ

ROGER HOFFMAN (True name RICHARD SINGLETON)

They discussed the story about ROY FRANKHOUSER in the Eagle where ROY was quoted as denying he was a Nazi. This has caused a break between ROY and SCHWEIKERT and SCHWEIKERT, who had been staying at 133 S. 4th St., ROY's place is moving out and will take up residence, at least temporarily, at SINGLETON's place in Laureldale, Pa.

Those at the meeting drafted a letter to the Minutemen demanding the ouster of FRANKHOUSER as coordinator. They pointed out that FRANKHOUSER had "broken security" by speaking out against the Nazis, and requested that he be relieved of his position in Reading. All who were present are to sign the letter when it is drafted.

CANARIS drove SCHWEIKERT to the vicinity of 133 S. 4th St., and enroute SCHWEIKERT kept saying that basically FRANKHOUSER is "OK" and he wanted ROY to voluntarily resign so there would be no hard feelings. SCHWEIKERT is also afraid that FRANKHOUSER will talk to the authorities if he gets too upset by being ousted. It was mentioned too that JEAN KUPISZEWSKI is [] and FRANKHOUSER is again broke, all the money left by his father has been spent. DAN BURROS is hiding out at Reading, Pa., because of an old law in New York State against the Klan. SCHWEIKERT said that after January, 1966 this law will no longer be in effect and BURROS can return to New York. ROY wants BURROS and his friend to be allowed to stay at the Headquarters, but the others are all []

against this.

After the meeting those who had been present stopped at a local bar briefly. SCHWEIKERT is hard up for money too, he has no car and SINGLETON is going to pick him up later on and move him and his belongings.

SINGLETON said that [REDACTED]

b6
b7C

[REDACTED] has been seeing ROY and visited him at 133 S. 4th St., Friday evening. He had also been there on other occasions too.

According to SCHWEIKERT, SCHUYLER FERRIS had been supposed to kill GEORGE ROCKWELL sometime in the past but had not carried out this assignment for reasons unknown to them. SCHWEIKERT is still a dedicated Nazi first and foremost, but is a friend of the Minutemen, ARLAN, JOE BRUNNER and SINGLETON.

Later SINGLETON advised that SCHWEIKERT will have to stay with SINGLETON, rather than at Headquarters, at least for a time because the Heat and Water at HQ are not operating right yet. SCHWEIKERT and [REDACTED] are to move to SINGLETON's place that evening. SCHWEIKERT is very secretive about where [REDACTED] is staying and will not tell anyone.

[redacted] tried to contact [redacted] at what was reported to be his current address, [redacted], Reading, Pa. There was no

answer from [redacted], another resident in the building told [redacted] that no one named [redacted] lived there and there is no such name on the mailboxes.

[redacted] called [redacted] to see if she knows what name [redacted] is using or if this is a wrong address, but [redacted] was unable to help.

RICHARD SINGLETON is planning on going to Gilbertsville, Pa., this afternoon to get a bandsaw, he was unable to get any in Philadelphia the other day. SINGLETON said that HANS SCHWEIKERT is ~~upset~~ upset because

FRANKHOUSER reportedly criticized GEORGE ROCKWELL and the ANP.

DAN BURROS and another person possibly BURROS's assistant are in Reading, Pa. BURROS newspaper has folded up and BURROS is reportedly being sought by the authorities in New York. FRANKHOUSER wants BURROS and his associate to be allowed to stay at the Headquarters on Skyline Road. SINGLETON and the others are all against this. SINGLETON suggested to [redacted] that they fake a story about having to give up the Headquarters, so FRANKHOUSER will not try to establish BURROS and his friend there. SINGLETON is also afraid that FRANKHOUSER may tell the authorities everything he knows. SINGLETON suggested that the Minutemen draw up a petition to send to DePUGH demanding that FRANKHOUSER be removed as area Coordinator because of the situation he has gotten into, yet SINGLETON also realizes that if FRANKHOUSER learns of this he will be all the more likely to talk to the authorities.

On 10/16/65 a person to person call was made to Reading, Pa., telephone number [REDACTED] from Philadelphia, Pa., however the call was billed to subject's home telephone in Reading, Pa. On 10/18/65 another call was made from Philadelphia, Pa., ~~1/11~~ also billed to subject's home phone, this call was a regular station to station call to Sinking Spring, Pa. telephone [REDACTED].

Sinking Spring # [REDACTED] is known to be the hometelephone of Mr. and Mrs. [REDACTED], West Wyomissing, Pa. Mrs. [REDACTED] is the subject's mother.

Telephone number [REDACTED] (Reading, Pa.) is listed in the criss-cross directory as the home telephone of [REDACTED] Reading, Pa. It is noted that JEAN KUSPISZEWSKI, subject's girlfriend formerly resided at [REDACTED].

A pretext call was made to [REDACTED] and Mr. [REDACTED] advised that she had moved, he did not know where except that she apparently had a place of her own. He thought that his wife, who would be home soon, might have REGINA's telephone number or address.

Mrs. [REDACTED] was later contacted by phone, and advised that she did not have JEAN's address or telephone number, but believes that she lives in some Hotel in Hyde Park, Pa. It is noted that [REDACTED], another friend of the subject had formerly resided at Frymoyer's Hotel, which is in Hyde Park, Pa.

Records of the Recorder of Deeds, Berks County were checked on 11/15/65. Subject's father R. EVERETT FRANKHOUSER purchased the property at 133 S. 4th St. Reading, Pa., in 1959. He originally had a 2,000 mortgage on the property however on February 11, 1960 this was ~~xxxxxxx~~ satisfied and a larger mortgage in the amount of \$ 3500 was taken out. The Berks County Trust Company (now American Bank) is the mortgagee. This obligation was payable at the rate of \$ 38.86 per month.

Mr. [REDACTED], American Bank and Trust Company (CONCEAL IDENTITY) advised 11/15/65 that last week the Bank was advised by American Casualty Insurance Company that the ACCO was cancelling the fire insurance on the property at 133 S. 4th St., Reading, Pa. and had so notified ROY E. FRANKHOUSER. Mr. [REDACTED] said that subject had contacted him and told him he was unable to get any insurance. The Bank is still holding a balance of about \$ 1400 on this mortgage. No decision has been reached yet, but they will probably foreclose if FRANKHOUSER is unable to secure fire insurance on the property. ACCO gave no reason for cancelling the fire insurance in their notification to the Bank.

DANIEL BURROS

On October 31, 1965, DANIEL BURROS, identified in widespread newspaper publicity as Grand Dragon of the United Klans of America, Inc., Knights of the Ku Klux Klan, for New York State, committed suicide by shooting in the apartment of ROY E. FRANKHOUSER, JR., similarly identified as the Grand Dragon of the United Klans of America, Inc., for Pennsylvania, 133 South Fourth Street, Reading, Pa. FRANKHOUSER; his girl friend, JEAN KUPISZEWSKI; and FRANK W. ROTELLA, the latter allegedly affiliated with the United Klans of America in New York and/or New Jersey, were present at the time.

A characterization of the United Klans of America, Inc., Knights of the Ku Klux Klan, is attached.

The Reading, Pa., Police Department has concluded this was a bona fide suicide.

On November 10, 1965, a source, who has furnished reliable information in the past, related the following story which he had heard but which he could not characterize as true or untrue:

The allegation source heard is to the effect that ROY FRANKHOUSER and his girl friend (JEAN KUPISZEWSKI), who are living together although not married, are have "domestic difficulties," and KUPISZEWSKI has reportedly threatened to go to the police and tell them that FRANKHOUSER killed DAN BURROS.

The source could furnish no additional information on this point.

"On the evening of 11/1/65 RICHARD SINGLETON demonstrated to [redacted] in SINGLETON's basement at [redacted] Laureldale, Pa., the operation of a machine gun or machine pistol that SINGLETON claimed to have made himself. This weapon fires .22 long rifle ammunition. It appears to be a cut-down rifle and is crudely made. The stock is cut off and a pistol grip at right angles to the barrel is welded on. The barrel has been shortened but in use is fitted with a silencer made of 1½" pipe fittings. In operation it makes almost no sound. The gun is clip fed and SINGLETON has two clips taped together at the ends so they can be reversed rapidly.

"Later on there was a meeting at the Headquarters on Skyline Rd. CANARIS, SINGLETON, HANS SCHWEIKERT, JOE BRUNNER, AND ARLAN BECK were present. Rent of \$40 for one month was paid to GEORGE BECK, SR. The discussion was all about BURROS' suicide and the 'FRANKHOUSER problem.' HANS SCHWEIKERT is still urging that FRANKHOUSER be kicked out; he has not gotten over his anger at FRANKHOUSER criticizing GEORGE LINCOLN ROCKWELL and the American Nazi Party. SINGLETON is going to call DE PUGH at Norborne, Mo., about getting FRANKHOUSER removed.

"HANS SCHWEIKERT is still staying full time at SINGLETON's house; the basement there is full of parts for the 'dog night-lights' including plywood, and wire. SINGLETON said that NELSON DELP, Reading, Pa., was one of the persons arrested in New York City some time ago in the company of FRANKHOUSER and BURROS.

"SINGLETON said that (FNU) THOMAS is the man from Common Sense who visited FRANKHOUSER. FRANKHOUSER has been subpoenaed to appear before the HCUA on November 14, 1965. SINGLETON and the other men are afraid he will 'open up' and talk on the stand."

REMARKS:

BURROS is believed to be DAN BURROS, and DE PUGH is believed to be ROBERT DE PUGH.

"Saturday, November 6, 1965

"RICHARD SINGLETON and JOE BRUNNER went small game hunting this morning according to SINGLETON's wife. Nothing was said about their plans, if any to attend the KKK rally scheduled that evening at Rising Sun, Md.

"On the afternoon and early evening of this date HANS SCHWEIKERT, RICHARD SINGLETON, JOHN CANARIS, JOE BRUNNER and GEORGE (BUD) BECK, Jr., met at Headquarters. SCHWEIKERT has no plans for going to the 'BURROS Memorial Rally' scheduled by the UKA at Rising Sun, Md. this evening. SCHWEIKERT related that ROY FRANKHOUSER had called him and asked him to loan FRANKHOUSER a large Nazi flag. FRANKHOUSER wanted to take this to the Klan Rally to put on display. SCHWEIKERT refused, said it would dishonor the Swastika, and FRANKHOUSER, in anger, hung up on him.

"According to SCHWEIKERT, FRANKHOUSER is again living at 133 S. 4th St., Reading, Pa. FRANKHOUSER reportedly had spent two nights at his mother's home in West Lawn, FRANK ROTELLA and JEAN KUPISZEWSKI had also stayed there (West Lawn) the same time."

On October 17, 1965, a meeting of members of the United Klans of America, Inc., Knights of the Ku Klux Klan, who have been subpoenaed before the House Committee on Un-American Activities was held at [REDACTED]

b6

[REDACTED], Falls Church, Virginia, telephone [REDACTED].

Those present for the meeting included the following:

J. R. JONES, Grand Dragon, North Carolina

GEORGE DORSETT, North Carolina

BOYD HAMBY, North Carolina

ROBERT HUDGINS, North Carolina

WAYNE SHAVER (phonetic), former State Secretary of North Carolina

GRADY MARS, North Carolina

DON LEAZER, North Carolina

ROBERT REEVES, North Carolina

SONNY FISHER, North Carolina

DICK WALSTON, former Exalted Cyclops from Wilson, North Carolina

MARSHALL ROBERT KORNEGAY, Grand Dragon of Virginia

JAMES HILBURN, associate of KORNEGAY

Two unidentified associates of KORNEGAY's from Virginia

Grand Dragon HARVEY of Ohio and one associate, not identified

ROY FRANKHOUSER, Grand Dragon of Pennsylvania]

GENE (LNU), electronics man with FRANKHOUSER

Grand Dragon of Delaware

MC DANIELS, Grand Dragon of Mississippi, plus one associate and an unidentified personal attorney

It was learned that those persons from the northern states had been there since the morning, expecting it to be a morning meeting.

LESTER CHALMERS, Raleigh, North Carolina, former Wake County Solicitor, was present for part of the meeting and then went to the Village House Motor Lodge, Falls Church, Virginia.

SHELTON, JONES, and DORSETT went to see CHALMERS later to be joined by KORNEGAY and WILBURN and their two associates. Sometime later JONES and DORSETT returned to report on the financial arrangements. Some of those present felt the financial arrangements were extravagant.

MC DANIELS from Mississippi and his personal attorney, a clean-cut young man, were called in and the attorney wanted no retainer but \$500 per day. It was learned the men from North Carolina held a caucus and subsequently JONES, DORSETT, and HUDGINS went back to CHALMERS' room at the motel with instructions to do as they felt best. It was learned that after talking with CHALMERS, these men felt that CHALMERS was more vicious, rougher, and possibly "dirtier" than the lawyer from Mississippi and they verbally agreed to retain CHALMERS.

It was learned that CHALMERS had stated he had become aware that the forthcoming investigation was controlled by the White House and was not actually an investigation because they already have the information. CHALMERS apparently felt the purpose of the investigation is to harass the Klan and unmask this organization. It was said that CHALMERS advised he would try to force the investigation to be conducted with dignity and as little embarrassment as possible to those concerned.

It was learned that the electronics man checked all rooms used by Klansmen for possible "bugs".

After the meeting with CHALMERS, it was reported that the feeling was that the Fifth Amendment will be invoked and the persons testifying will not give an opening statement.

It was stated that CHALMERS indicated they would attempt to get a postponement of the hearing on October 18, 1965, because of the recent death of MATT MURPHY, Klan attorney.

The financial arrangements for CHALMERS were announced as \$10,000 plus \$150 per day, plus expenses and \$100 per day for a law clerk.

CHALMERS was given \$8,500 that night or was to be given that amount the following day. The \$8,500 was made up of funds as given by the following:

SHELTON - \$3,000

KORNEGAY - \$2,500

JONES - \$3,000

It was learned that SHELTON was staying at the Village House Motor Lodge, Falls Church, Room 9.

GEORGE DORSETT was requested to stay with JONES in Washington for the hearings despite his wishes that he return to North Carolina.

The source stated that Otto Hennig, Steve Gaspe and (FNU) Mills, mentioned above, were all sworn in as members of the UKA at the meeting on October 16, 1965.

The source related that refreshments consisting of chicken, roast beef, shrimp salad, whiskey, beer, rum and soda were served and a number of those in attendance appeared to become intoxicated.

At 7:30 PM, on October 16, 1965, Roy Frankhouser introduced Chief Tabbut of the KBI, who thereupon spoke to the group for about one hour. In his talk, Tabbut stated the communist conspiracy controls mass media in this country. There is communist infiltration of the National Council of Churches. Tabbut denounced the United Nations and the administration of President Johnson and the United States Supreme Court. He praised Adolf Hitler to loud applause from his audience.

In his speech, Tabbut made frequent anti-Semitic statements referring to the Jews as Zionists.

Tabbut stated that on October 14, 1965, he met in Audubon, New Jersey, with 50 leaders from various John Birch Society chapters at their request. Tabbut stated they asked him about the UKA at what he called "a secret meeting" in Audubon, New Jersey. Tabbut stated the Birch leaders told him they were "fed up" with meetings, petitions and letter writing and wanted action. According to Tabbut, the Birch leaders promised to furnish 750 "Birchers" for the UKA. They told Tabbut they were going to check him with Robert Shelton, Imperial Wizard of the

UKA. Tabbut told those at the meeting on October 16, 1965, that within six months, the UKA will have 10,000 Birchers joining the UKA.

The source stated that the living room of Kraig's apartment in which the meeting was held had a table or altar at one end draped with an American flag. On this altar was a bible opened to "Romans 20" with a dagger resting on the open bible. Alongside the bible was the Kloran and on the other side of the altar were the constitution and by-laws. Above the altar was an illuminated wooden cross with thirteen electric bulbs, all red, except for one in the center, which was white.

The source stated that there was a bullet hole in the living room wall allegedly made by David Kraig, who discharged a rifle just missing Gaspe.

At various times during the meeting, a member of the security guard stood at the door with the loaded rifle. The source stated that Kraig, Lincke, Dommer, Flak, Hart and Engblom, all mentioned above, wore the uniform of the security guard of the UKA. This uniform consisted of white helmet, gray khaki uniform, Sam Brown belt, paratrooper boots and insignia of blood drops and ropes.

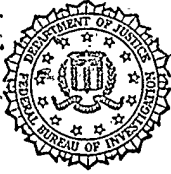

Source stated that David Kraig mentioned that he had received a note to report to Naval Intelligence and that Kraig allegedly has a brother, name unknown, in Naval Intelligence.

Dan Burros and David Kraig then told the KBI Chief that there is "a spy" in the New York Unit of the UKA. They said that when the spy is uncovered, he will meet death.

It was announced that there would be an outdoor rally of the UKA in Maryland on the weekend of November 5, 1965. All those at the meeting of October 16, 1965, were told they must attend this rally and that if anyone does not attend, it will mean his death. The only excuse for not attending this rally will be the death of the individual or a member of his family.

Re: UKA, KKKK, New York Realm

On October 21, 1965, the source stated that he has learned that Richie (LNU), mentioned above, is Richard Brennan.

On Thursday morning, 10/7/65 HANS SCHWEIKERT went to see JOHN CANARIS, and asked him about a job. SCHWEIKERT is unemployed and needs money, but no work was available, and it was suggested that he go to the Employment Office. SCHWEIKERT indicated that he had been there, and was supposed to have returned 10/4/65 but this was the date ~~because~~ he had to be in New York City, N.Y. because of the Pope's visit, and he couldn't get to the employment office for that reason.

On Friday, 10/8/65 ROGER HOFFMAN and HANS SCHWEIKERT went to Wickes Lumber Yard near Ephrata, Pa. apparently to get material for the night lights they are making. "HOFFMAN" said that he has \$ 30 received from his men to be applied towards the rent and/or expenses of operating the new Headquarters. He also stated that they have run off an additional 700 pieces of literature on the mimeograph machine.

The pump installed at the headquarters is the wrong size, and does not furnish water, this will have to be corrected by the landlord. According to "HOFFMAN" they made some "terrific contacts" in New York on Monday, they got back home about 10 PM.

SINGLETON ~~XXXXXXXX~~ is having trouble getting a job. He had arranged recently with ROY FRANKHOUSER to call Dick Brothers under the guise of being an out of town employer and asked about SINGLETON. Whoever FRANKHOUSER spoke with said that SINGLETON was a trouble-maker and rabble rouser and advised against hiring him.

On 10/9/65 SCHWEIKERT and SINGLETON stopped to see JOHN CANARIS and picked up a lock. This lock is to be used at the Headquarters, on the room where SINGLETON will keep his reloading equipment and similar items. The windows of this room will also be boarded up so it will be doubly secure. SINGLETON has a habit of checking to see if others have access to the Headquarters. For

he announced that "Old Man BECK" has a key to the closet in HQ where weapons are sometimes kept. He knows this because when he locked the closet he stuck a small inconspicuous piece of paper in the crack at the jamb. Later he found this piece of paper on the floor. It could only have fallen if the locked door had been opened. They are aware that "Old Man BECK" has a key to the building itself, but they are going to change the lock.

SINGLETON spoke of being in New York City last Monday, 10/4/65 and mentioned that FRANKHOUSER, JEAN "KELLER" and HANS SCHWEIKERT had been there. They were in a building on First Street according to SINGLETON. He said that the four were to be the brains of a disturbance among the Cubans present at the Pope visit, but at the last minute it was called off. He did not say why or by whom.

SINGLETON also said that FRANKHOUSER will be speaking at a Klan Rally this Sunday, 10/10/65 at Wilmington, Delaware. According to SINGLETON, ROY is very much in demand as a speaker and intends to do a great deal of travelling. On Sunday at the coming Rally he will be assigned a Security Guard of his own for the first time.

Klan Told Burros Died A 'Martyr'

Rising Sun, Md., Nov. 6 (UPI) — Robert M. Shelton, head of the Ku Klux Klan, tonight blamed the House Un-American Activities Committee for the death of a Klan leader who committed suicide when his Jewish ancestry was bared.

Shelton, KKK imperial wizard, failed to show up at a tri-state rally attended by a crowd estimated at 1,500 by police. His speech was read by Roy E. Frankhouser, 24, Reading, Pa., Pennsylvania Klan leader who witnessed the suicide of Daniel Burros, 28, grand dragon of the New York Klan.

Frankhouser told reporters later that Shelton had to go to California on urgent business. He declined to elaborate.

Burros

(Continued From Page 1)

The meetings in a cow pasture on the farm of George B. Boyle three miles northeast of here featured a memorial service to Burros and Matt Murphy, Klan attorney who died in an auto accident in Tuscaloosa, Ala., Aug. 20.

A 10-foot high cross was burned at the start of the ceremony. Frankhouser, clad in a green robe, told the crowd Burros and Murphy died on the field of honor. Long live the white race.

On a speaker's platform which was mounted on a rubber-tired hay wagon, two wreaths stood in memory of the dead Klansmen. Burros' robes hung along side one wreath. Taps were sounded and a Klan security guard fired a rifle during the five-minute ceremony.

After Shelton's speech was read, a 40-foot high oak cross wrapped in burlap bags and drenched with gasoline was set afire to climax the meeting.

Fail to Show Up

Other speakers included Vernon Naimaster, Baltimore bus driver who describes himself as acting grand dragon for Maryland. He had predicted 8,000 to 9,000 Klansmen from Maryland, Pennsylvania and Delaware would attend the rally.

New Jersey Klan Kleagle Frank Rotella and Ralph Pryor, who said he was grand dragon of Delaware, also spoke to the crowd.

Early in the meeting, a man and a youth appeared some distance behind the speaker's platform with signs, one of which read: "We Believe the KKK is an insult to God."

Frankhouser, who wears a patch covering the loss of his left eye, sent Klan security guards after the two who were escorted out by state troopers. The man identified himself as Harry Mills of St. George's Episcopal Church, Perryman, Md.

Frankhouser Featured At Klan Memorial Rally

Rising Sun, Md. (UPI)—The Ku Klux Klan burned two crosses on a farm here Saturday night to climax a combined recruiting drive and memorial service for a New York Klansman who committed suicide last week.

Roy E. Frankhouser, 24, described as the Pennsylvania grand dragon, told an estimated 1,500 attending the rally that the Klan is on the offensive.

"The House, Un-American Activities Committee is testing us and we will not back down to tyrants. People are no longer going to vote Democratic or Republican. They will vote white," he said.

The Klan's publicity officials had predicted an attendance of up to 9,000 persons.

A small 10-foot cross was burned to honor the memory of Daniel Burros, 28, leader of the New York Klan branch. Burros shot himself to death Oct. 31 in Frankhouser's apartment at Reading, Pa., saying he had "nothing to live for" following the disclosure that he had a Jewish background.

Shelton Absent

Frankhouser spoke in place of Klan imperial wizard Robert Shelton, who had been the scheduled principal speaker. Frankhouser told newsmen Shelton was suddenly called to California on "urgent business."

A 40-foot cross cut from an oak tree on the farm of George Boyle here, blazed in memory of all other Klansmen who had died recently, including Matt Murphy, Klan attorney, who was killed in an auto accident at Tuscaloosa, Ala., Aug. 20.

two memorial wreaths. Burros' Klan robes hung alongside one wreath.

Some 30 Klansmen in robes ringed the hay wagon during the memorial service. Taps were played and a Klan security guard, dressed in military style and wearing a white helmet, fired a rifle during the five-minute ceremony, lighted by the blaze of torches.

A public address system, which had blared out racial hate songs earlier, began playing the religious hymn "The Old Rugged Cross."

Frankhouser described Burros as a "great patriot" who "believed in the white race. Long live the white race."

He was one of five persons to address the rally and predicted a "stronger white organization" will rise after the un-American activities hearings are concluded.

Slurs LBJ

Frankhouser spoke of "those rats in the White House" and referred to President Johnson as "Lyndon Bonehead Johnson."

Also speaking were Ralph Pryor, a former Wilmington, Del. policeman; Frank Rotella, New Jersey Klan leader who was in the Frankhouser apartment when Burros shot himself; Vernon Naimaster, Maryland Klan official; and an unidentified New York Klansman.

Several carloads of teen-aged youths drove near and jeered but were kept moving by state police who earlier escorted from the farm a youth who appeared with a sign reading: "We believe the KKK is an insult to God."

A helmeted Ku Klux Klan guard fires a salute in front of a burning cross at a Klan rally Saturday night near Rising Sun, Md., as part of a ritual honoring two deceased Klan leaders. The salute was to honor Dan Burros, New York grand dragon of the Klan who committed suicide recently in Reading, Pa., and Matt Murphy, a New York attorney. —AP Wirephoto.

Purple hearts and

b6
b7C

These objects I hold in my hand are medals, citations that a grateful nation awards to her war heroes and defenders in times of national peril.

They are not baubles or cheap costume jewelry without real meaning and significance. They are decorations attesting to patriotism of the highest order, and they are the proud possessions of the two men who are standing beside me. Neither man ever burned a draft card.

On my left stands Sergeant Raymond R. Anderson, (U.S. Army, Retired) Grand Dragon of the United Klans of America for the State of Tennessee. His missing arm was shot off on a blood-drenched battlefield in Korea where he lay in agony from 5 o'clock in the morning until after 3 o'clock in the afternoon when the enemy's mortar fire let up enough to permit a team of medics to crawl to his side. Around him lay dead and dying buddies.

On my right is Robert E. Scoggins, World War II Navy veteran, and Grand Dragon of the United Klans of America for the State of South Carolina. For more than 20 years his body has been racked and twisted by pain as the result of two different encounters with Hitler's sea and air raiders. Adjusting his steel back brace reaching from his neck to the end of his spine, has become as much a part of his getting dressed in the morning as putting on his pants.

The same government that acclaimed him a hero and awarded him two Purple hearts also found and adjudged, after he had been hospitalized months that stretched into years and after exhaustive medical examinations that he was 100 percent disabled as a result of war injuries.

Bob Scoggins, who has learned how to endure pain, thought until last Thursday that he had likewise become accustomed to man's inhumanity to man. But, he learned better when he picked up his afternoon paper and read - a leaked story - that the VA, acting without a medical examination to back it up, had arbitrarily reduced his disability rating from 100 percent down to 60 percent.

The next day, Friday the 5th, he received, by ordinary mail, official confirmation of what he had previously read in the newspapers.

This decorated veteran of World War II, this man 100 percent disabled in the service of his country, father of a son who even at this very moment is serving in the navy just as his father did a quarter of a century ago, had been guilty of invoking a few days earlier the rights guaranteed to him by the Constitution he had fought and spilled blood to protect and defend.

It matter not that six other Scoggins children back home were 100 percent dependent upon their war veteran father for their daily bread. Revenge is no respecter of little children.

Scoggins has already appeared before the Committee once, but is subject to call back; while Anderson's name was injected by the staff on the opening day of the hearings. Frankly, I cannot help but speculate on what may happen to Scoggins after his second appearance. Will his disability rating be further cut.

And, what about Sergeant Anderson. Is his present rating of ⁷⁰60 percent disability to be cut by the same ratio as was that of Scoggins? Perhaps some weight will be given to the fact that an older brother died, after lying paralyzed for more than eight years, of injuries received in combat while wearing his country's army uniform in World War II, and the further fact that a second brother suffered injuries when he too was serving in Korea. One thing is sure: Mother and Father Anderson did not raise any draft card burning sons.

RePHairtel 10/14/65.

On 11/10/65, [redacted] Ohio Bell Telephone Co. (Protect identity), Columbus, Ohio, advised SA [redacted] that Columbus telephone number [redacted] is an unlisted telephone number subscribed to by FLYNN HARVEY of [redacted], Columbus, Ohio.

b6
b7C
b7D

For information of the Philadelphia Office, FLYNN ROBERT HARVEY has publicly acknowledged that he is Grand Dragon in Ohio of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA). HARVEY was formerly associated with the National Knights of the KKK (NKKKK) (VENABLE), but switched allegiance to the UKA (ROBERT SHELTON) in about May, 1965. At the present time, it appears that he may be excluded from present efforts to reorganize the Klan in Ohio under the UKA by former members of the NKKKK.

It is also noted that the two telephone calls set forth in reairtel occurred shortly prior to a Klan rally that HARVEY organized for Cambridge, Ohio over the weekend of 9/24/65. It was reported that Klan members from Pennsylvania attended this rally.

Saturday, October 16, 1965

Thursday , 10/14/65 JOHN CANARIS, RICHARD SINGLETON, ARLAN BECK and JOE BRUNNER were up at Headquarters on Skyline Drive talking over plans for publicity for the group. SINGLETON said he hopes to have a meeting Saturday evening, 10/16/65 at the Headquarters, and this will be attended by the local men plus three from Minersville, Pa., and some men from Washington, D.C.

Regarding the literature they have been mimeographing, SINGLETON said that EUGENE TABBUTT, the man from Philadelphia has agreed to fly a plane over Reading, Pa. , HANS SCHWEIKERT will accompany him and they will drop literature. Some of the men will paste the Minutemen stickers recently received on telephones in outdoor coinbox booths and similar locations and SINGLETON said that he has a chemical powered rocket which he will shoot up over a parking lot. This will be designed to go high into the air and burst, dropping a shower of these leaflets. Meanwhile ROY FRANKHOUSER and JEAN KUPISZEWSKI will be calling the Associated Press and other News Services to get a great deal of publicity for the activity.

The date of this planned distribution of literature has not yet been established. When the date is finally decided on they hope to get others from out of town to come in and help pass out bills by hand on the streets. b6 b7C b7D

Later this date (10/16/65) it was decided that the meeting at Headquarters this evening was to be postponed untill next weekend, a definite time and place will be set later.

"SINGLETON also said that he wants to have a meeting at Headquarters tomorrow (Sunday, November 14) at 3 p.m. for the purpose of getting the letter to DE PUGH signed and sent off. SINGLETON said that FRANKHOUSER is or has been kicked out by the UKA because of something, possibly a statement he made to the papers. This will leave FRANKHOUSER only the local Minutemen group and they do not want him around either.

Re Philadelphia airtel to Richmond, 10/14/65.

Re airtel reflects a telephone call was made to Norborne, Missouri, number 594-8899, from subject's residence.

The telephone directory for Norborne, Missouri does not contain this number. An outside phone booth in Norborne approximately one block from ROBERT B. DE PUGH's home has the number 594-3899. It is believed the call was placed through this number and that the number listed in re airtel is probably in error.

[redacted] (conceal identity) who is presently working for DE PUGH in "Minutemen" headquarters in Norborne advised on 11/29/65, that DE PUGH has no phones with this number.

b6
b7C
b7D

A review of the Norborne Telephone Directory shows that most of the numbers are almost the same except for variations of the last two or three digits.

The telephone service for the Norborne area is furnished by the United Telephone Company, and the source of information available to the Kansas City Office with that company is presently hospitalized and cannot be contacted. If it is deemed essential, Philadelphia should resubmit its request and the source will be contacted in the future.

Friday, October 22, 1965

Present at headquarters on the evening of October 21, 1965,
were the following:

Arlan
Hans Schweikert
Rex New
Canaris
Joe, who has a truck with a camper part over it.
Roger Hoffman

There was discussion on shell reloading and map reading. "Old man Beck" came in. He had received through the mail and postmarked at Danville, Pa. some literature which is anti Communist in nature. The envelope has a black border and is marked: Morticians, you'll never know or feel it when we bury you. This may not be the exact statement on the envelope but is the general gist of the statement. Beck believes in voodoo and after he showed the literature there was a lot of laughter. "Old man Beck" then left.

"Roger Hoffman" gave Rex New a package of literature to take along with him. "Hoffman" said he has at his home a board on which are mounted 4 auto headlights. They can be attached to a car battery. This board will be taken along on a mission and is used to blind persons ~~but~~ suddenly turning on the 4 lights.

There is a DAR meeting somewhere and Roger, Ed Lotz, and Hans are supposed to take literature there.

"Roger" advised on the morning of October 22, 1965, that Dan Burros and an individual whose name sounded like Fertelle were visiting Roy E. Frankhouser. Burros and the other man had come to Reading from Washington, D. C.

Roy E. Frankhouser advised he had spoken to many newsmen on

October 21, 1965, following disclosure in Washington through the House Committee for Un American Activities that he was the Grand Dragon of the Klan in Pennsylvania. Frankhouser said he told the newsmen not to quote him. Some of them did not live up to their promises. Frankhouser said he doesn't know when he will testify in Washington. He referred to Graul and said he hasn't seen him for some time, the last time being at Rockwell's headquarters in Virginia several months ago. Frankhouser said he intends to get in touch with Schilling and Toombs in Philadelphia.

On or about 11/1/65, within a day or so after the suicide of DANIEL BURROS of New York City in the home of subject, 133 South Fourth Street, Reading, Pa., FRANKHOUSER came to the telephone company and accused them of tapping his telephone or permitting it to be tapped by others.

On Friday, 11/12/65, subject ordered his phone temporarily disconnected. This was done 11/13/65, subject to reconnection at his order. Telephone number 376-7591 is assigned to R. EVERETT FRANKHOUSER, subject's father, at 133 South Fourth Street, Reading, Pa. The September 1965 bill of \$63.39 remains unpaid, and the 10/25/65 bill, which amounted to \$146.45 has not been paid to date.

The following toll calls were charged to 376-7591 on the October bill:

JOHN CANARIS dropped off at RICHARD SINGLETON's home in Laureldale, Pa. the petition which is to be signed and sent to De Pugh, asking that ROY FRANKHOUSER, Jr. be "kicked out" as local coordinator of the Minutemen. RICHARD SINGLETON was not at home at the time, but the petition was left with his wife who was there with HANS SCHWEIKERT. SCHWEIKERT has a [redacted] [redacted], with [redacted] License Plates. The License number is [redacted]. This car was at SINGLETON's home.

SCHWEIKERT spoke to ROY FRANKHOUSER on the phone, and FRANKHOUSER explained to him that he (ROY) must raise \$ 1400 more to prevent the Bank from foreclosing on the property at 133 S. 7th St., Reading, Pa. SCHWEIKERT is not able to help financially, he said that the project he and SINGLETON have, making the night-lights is a "complete fiasco". Apparently they are making no profit on the items in spite of their work. SCHWEIKERT also indicated that his unemployment compensation has been terminated because he missed an appointment at the Unemployment Office. SCHWEIKERT said he is appealing this.

SCHWEIKERT asked FRANKHOUSER if he could put any pressure on EUGENE TABBUTT, to produce the book on the "Elders of Zion" that SCHWEIKERT paid him to reproduce. According to SCHWEIKERT, TABBUTT told him that work is being done on this at Wilmington, Delaware.

SCHWEIKERT has received some information from the Minutemen on the making of explosive and similar devices. One of these items is a Molotov Cocktail that does not need to be ignited with a match. There is a small bottle of some chemical which is poured on a rag around the bottle of gasoline, then when the gasoline and other chemical mix they are ignited by spontaneous combustion. There was also some information on nitroglycerine in the material.

Later RICHARD SINGLETON said that at the meeting held at Headquarters

Page 2 November 14, 1965

it was decided by all present that ROY should be kicked out and that all the others should sign the petition to be sent to Norborne, Mo. EUGENE WALACAVAGE and REX NEW are also in agreement on this, but it was not clear if they were consulted by phone or were present in person at the meeting.

SINGLETON indicated that he is still in favor of getting a new headquarters, and he wants to organize a new club, which will be affiliated with the National Rifle Association, so they can secure weapons and ammunition.

HANS SCHWEIKERT said that EUGENE TABBUTT had a plane and pilot arranged to drop Minuteman recruiting literature locally, but for some reason cancelled the arrangements for this.

Saturday, November 20, 1965

On the evening of 11/20/65 RICHARD SINGLETON, JOSEPH BRUNNER, JOHN CANARIS, ARLAN BECK and GEORGE BECK, Jr., were at the Headquarters on Skyline Rd., near Reading, Pa. SINGLETON said that he had been to Schuylkill County earlier that date, and had returned about 3 PM but had been unable to get into the building used by the Minersville Unit of the Minutemen. It was suspected that the lock had been changed on these premises.

According to SINGLETON someone from the Anti-Defamation League has been checking on the Commander of the American Legion Post in Minersville, Pa. EUGENE WALACAVAGE signed the petition being drawn up to send to the Minutemen at Norborne, Mo., it is presently in the possession of SINGLETON.

SINGLETON reported that WALACAVAGE has more men forming a new Minutemen Band, the group or groups in Schuylkill County have three different buildings where they meet. According to SINGLETON he had mentioned to WALACAVAGE that ROY FRANKHOUSER may attempt reprisals for the petition asking his removal, and WALACAVAGE said that "if he does he is a dead duck".

At the meeting on Skyline weapons and explosives were discussed, and SINGLETON claimed that he had one pound of potassium chlorate to make explosives. SINGLETON is urging the others to move next week, abandoning the headquarters on Skyline Drive because it is not safe. "Old Man BECK" is still nosing around. SINGLETON claimed that he has another and better location already selected.

It was mentioned that HANS SCHWEIKERT was not present at this meeting because he had a date with EDWIN LOTZ younger sister. REX NEW and RICH SINGLETON have received letters postmarked Sanatoga, Pa., thanking them for sensitive information on the Minutemen. SINGLETON said that neither he nor NEW has sent any such material to anyone in that area. SINGLETON said that there must be a leak at Minutemen Headquarters in Missouri.

On 12/7/65, [REDACTED], who has furnished reliable information in the past, advised that there has been a split in the New York group of the UKA with DAVID KRAIG heading one faction and GEORGE LINCKE the other.

According to the source, both KRAIG and LINCKE have from 10 to 12 supporters each in the New York area.

The source stated that ROY FRANKHOUSER of Reading, Pennsylvania, is scheduled to visit New York City this coming weekend, arriving Friday, 12/10/65, and remaining until Sunday, 12/12/65. FRANKHOUSER's trip to New York City is for the purpose of attempting to settle the dispute between KRAIG's and LINCKE's groups. It is not contemplated that any leader will be appointed for the New York group of the UKA at this time but both groups will be made autonomous.

Delaware Klansmen Meet at Kirkwood

Kirkwood, Del., Oct. 11—
(AP)—Twenty-five robed members of the Ku Klux Klan, along with some 60 others in civilian clothes, held a meeting last night behind a home near this New Castle County community.

Security guards in blue uniforms and white helmets patrolled the grounds, but there were no incidents.

Delaware Grand Dragon Ralph Pryor said the klansmen were from the Newark and New Castle units.

Speakers included Roy Frank Hauser of Reading.

During the meeting, [redacted] and (First Name Unknown) [redacted], described as a brother of [redacted], were inducted as members of the KKK. b6

DANIEL BURROS, Grand Dragon of New York State, presided over the meeting. He made a plea for money for the KKK Treasury of New York. He stated the Klan was considering shifting their headquarters to Upstate New York because of the pressures brought about by New York City Police Department constantly watching the building at 1762 First Avenue, New York City.

DANIEL BURROS then introduced ROY FRANKHOUSER, Grand Dragon of Pennsylvania.

ROY FRANKHOUSER said the Klan aim is to have five permanent Klaverns in New York State. There were 13,000 persons who were members of the Klan during the 1930's. A search of the Klan records in Tuscaloosa, Alabama, will produce their names as

possible members to be contacted. A list of these names will be furnished each Klavern and it is expected every Kleagle will contact each person on the list as possible new members, within 30 days of receipt from National Headquarters. Security checks will be conducted by EUGENE TABBUT on those persons who indicate an interest in the Klan. He stated that the Klan has already infiltrated the Congress of Racial Equality, National Association for the Advancement of Colored People, Anti-Defamation League, and the Zionist Movement.

DANIEL BURROS then introduced EUGENE TABBUT, Imperial Director of KBI.

EUGENE TABBUT confirmed FRANKHOUSER's statement regarding the infiltration of various civil rights organizations. He claimed to have an official report of the FBI investigation of the church bombing in Birmingham, Alabama, where three Negro children met their death by an explosion. He said this report rules out a bombing at this church, the explosion having been caused by gas backing up in the kitchen of the church, igniting, and causing the walls of the church to crumble. TABBUT mentioned briefly another organization called the Black Klan, sponsored by MARTIN LUTHER KING, which is being organized. According to source, TABBUT did not further elaborate on this organization, however.

[redacted] as a member of the Klan, was [redacted] and was given [redacted]. He was instructed to [redacted].

b6
b7C
b7D

It was observed at this meeting that a check in the amount of \$7,500.00 from some members of the John Birch Society of New Jersey, was given to the Klan as an indication of their desire for membership in the Klan and their denouncement and proposed renunciation of the John Birch Society of New Jersey.

Klansmen TABBUT, BURROS, and HARVEY were overheard discussing money problems. HARVEY made a plea for money from National Headquarters since the Ohio Klan was broke. TABBUT stated the Klan needs all the money it can raise for the hearing on the Klan in the South being conducted by the House Committee on Un-American Activities.

KNIGHTS OF THE KU KLUX KLAN

On December 12, 1965, a source who has furnished reliable information in the past reported that ROY E. FRANKHOUSER, JR., admitted Grand Dragon of the United Klans of America, Knights of the Ku Klux Klan, from Pennsylvania, who resides in Reading, Pa., said that the first Klan Rally to be held in this area is tentatively scheduled for 5/21/66 near Bally, Pa.

FRANKHOUSER reportedly stated that he is not doing anything at present until after (H.C.U.A.) hearings at Washington, D.C., are concluded. FRANKHOUSER claims he has been subpoenaed for these hearings and has been ordered to bring with him all records, membership lists, etc., concerning the Klan which are not in his possession. He claimed that he has turned these over to another person whom he did not identify so that he can truthfully testify he has no such lists. FRANKHOUSER also said that after these hearings are concluded, he intends to mail out literature on the Klan to approximately 500 local prospective members whose names and addresses he has received.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Saturday evening-Sunday morning HANS SCHWEIKERT and RICHARD SINGLETON moved all their belongings out of the Headquarters on Skyline Rd., with the intention of giving up the place. Location of the new place was not mentioned but it is a garage. According to SINGLETON the rental there will be \$20 per month.

SCHWEIKERT is not living with SINGLETON at present, but he is keeping his address a secret, even from his own friends and associates. SCHWEIKERT is going to "lay low" for a time he says.

According to SCHWEIKERT, ROY FRANKHOUSER has a new girlfriend. She is named [redacted] and is employed for [redacted]. This is the concern [redacted] that issued the fire insurance policy on 133 S. 4th St., Reading, Pa., after the American Casualty Company cancelled their policy and almost got the mortgage foreclosed as a result. [redacted] has a [redacted], her residence is not known to SCHWEIKERT, he said. SCHWEIKERT is afraid that when JEAN KUPISZEWSKI learns ROY has another girl she may "spill her guts" to the authorities. b6 b7C

JOHN CANARIS and HANS SCHWEIKERT discussed the article in the local papers reporting the closing of the ANP Barracks in Virginia. SCHWEIKERT said he had been to see ROY FRANKHOUSER and they made a call to ROCKWELL from ROY's step-father's place to ROCKWELL. This would have been about Wednesday December 1. SCHWEIKERT said that FRANKHOUSER told him an Agent had stopped to see ROY this past week and interviewed him for about two hours. One of the questions asked was how he had any money to pay dues.

SCHWEIKERT suggested that CANARIS go see Old Man BECK and cancel the lease. SCHWEIKERT said that SINGLETON is going to do something to irritate BECK, but he does not know just what is planned. FRANKHOUSER has been spending some time at his mother's house, he has a very bad cold at present. b6 b7C b7D

While in NYC, FRANKHOUSER, visited father, same name, at Ward 4D, Veterans Hospital, Bronx, NY, where father has been patient for about 6 months. Father is completely opposed to son's political ideas.

FRANKHOUSER spent day shopping in NYC, and was unsuccessful in attempts to telephonically contact DAVID KRAIG. FRANKHOUSER is keeping two Klan factions operating in NYC, hoping they will eventually merge into one.

FRANKHOUSER stated that FBI in Reading has kept close tabs on him and mentioned his girl friend, REGINA KUPISCZEWSKI, who is [redacted], threatens to expose him to FBI if he does not marry her. FRANKHOUSER claimed FBI showed her photo of [redacted] leaving his residence in Reading, apparently trying to get her to inform on him.

FRANKHOUSER also alleged FBI did quite a bit of digging outside Reading, supposedly looking for cache of arms in connection with his Minuteman activities. Claimed arms have been moved from Reading area since this search.

FRANKHOUSER also said he has received subpoena to appear before U.S. Senate Committee in Washington, D.C., on 1/4/66, and said some time in mid-January, 1966, he will hold Klan leadership conference at South 4th St., address in Reading, Pa.

FRANKHOUSER instructed that no public demonstrations are to be held in NYC until hearings in Washington, D.C., have been completed.

FRANKHOUSER further stated that he will visit NYC regularly every month to visit father in hospital and to examine current status of UKA, KKK, in NYC.

from its late months ago. At the beginning, HOUSEMAN tried
to interest his Pace Corps group in Reading, Pa., in the
Klan, but they wanted to stay with the Minutemen and as
a result, there has been some friction between the group
and HOUSEMAN. It is possible that HOUSEMAN has been
recruited that he could be given to an unnamed individual to
hold for him, but with his personality and need to show his
importance to the group, it is most likely as he has a
membership list or similar records he could confide in one of

Information received from other offices and [redacted] b7D indicates that FRANKHOUSER's activity in the Klan has consisted mainly of making appearances at Klan rallies in Eastern and Southern United States, rather than making much effort towards really getting a Klan started in Pennsylvania. FRANKHOUSER has been investigated by Philadelphia since about 1960 when he became interested and active in the extreme right wing. On numerous occasions since then, FRANKHOUSER has made grandiose plans that never materialized and has made statements that were untrue or patently ridiculous.

He regularly affects a mysterious and secretive pose and withholds alleged details as in this instance he failed to disclose who has the alleged records. It is possible and even likely that no records such as FRANKHOUSER mentions even exist.

[redacted] b6 b7C b7D attended a Klan (Klan) rally in New York, N.Y., 11/6/65 along with three individuals from York, Pa. He filled out a membership application and sent it in. He has to date received no reply from the Klan headquarters. There were over 100 automobiles with Pennsylvania license plates in the general area of this rally, but it is not known how many, if any, of those in attendance submitted membership applications.

On the basis of Klan policy, it is assumed that application for membership from Pennsylvania would eventually come to the attention of FRANKHOUSER as grand dragon. In the light of FRANKHOUSER's personality as a braggart, it is unlikely that he would be able to keep this information to himself and not tell [redacted] or someone in the group. b7D

To date, [redacted] has furnished no information that FRANKHOUSER is even aware of the interest of the people in York, Pa., in the Klan. Again, if FRANKHOUSER knew this, Philadelphia assumes he would be unable to keep such "important" information to himself. He has made no contact with [redacted] b6 b7C b7D

[redacted] Close contact will be maintained with [redacted] b6 b7C b7D and [redacted] to develop further information in this matter.

Re my Airtel, 12/21/65; telephone call to Mr.
JOSEPH SIZOO, of the Bureau, 12/27/65.

On 12/27/65, SAMUEL BOYLE, City Editor of the
"Philadelphia Evening Bulletin," telephoned SA NORRIS S.
HARZENSTEIN and followed this with a visit to the office.
BOYLE, speaking from memory, having taken no notes on
the matter, gave the following information:

EUGENE TABBUTT came to the Bulletin on 9/29/65
and spoke with a reporter, [redacted]. BOYLE understands
that he had been referred to [redacted] by a member of the
County Detectives Office of Philadelphia, name not re-
called. This man presumably knew [redacted] because [redacted]
covers the office of the District Attorney and courts in
Philadelphia. At that time, TABBUTT told [redacted] he was

only general information of the type that could have been obtained from contemporary public sources.

On 12/27/65, he again communicated with [redacted], saying that he had been confined to a hospital (name not furnished) for the past two weeks, and that immediately on his release from the hospital, he had contacted [redacted] in a followup effort to sell the story. He came to the Bulletin where he was interviewed by [redacted] and BOYLE.

b6
b7C

He said that he would appear before the House Committee on Un-American Activities on 1/4 or 5/66 as a friendly witness. He wanted to sell the Bulletin information and documentary evidence or photostats thereof in advance with the understanding that his interview would be confidential at this point, and that his material would not be used publicly until after his appearance before the HCUA. BOYLE questioned him at some length in an effort to evaluate his purported information, but actually had no intention of purchasing his material both because he mistrusts TABBUTT and also because a restriction on the Bulletin not to print the material until after it becomes public knowledge through the testimony before the HCUA would negate its monetary value.

BOYLE's recital of the information furnished was not cohesive either chronologically or substantively. It is reconstituted into as near as possible logical sequence as follows:

TABBUTT said that he had joined the Klan three times during his life: In 1918 when he was just out of high school he worked for the Northeast Bell Telephone Company at Portland, Maine. His Foreman, DAN DESMOND, told him that if he wanted to get anywhere in the telephone company, he would have to join the Klan, and TABBUTT joined. In about 1920 he came to Philadelphia and became a Philadelphia City Detective. In Philadelphia, he again joined the Klan.

In 1936, he joined the Klan again this time at the request of JAMES MC GRANERY (later U.S. Attorney General). TABBUTT claims that he agreed to investigate Klan activities for MC GRANERY, and that this agreement took place in the presence of the present Congressman WILLIAM BARRETT (the late Mr. MC GRANERY was a Congressman in the 1930's, and Mr. BARRETT was then his secretary).

TABBUTT said that he investigated the Klan for the "Philadelphia Inquirer" in the early 1940's. The "Inquirer" wanted to check the connection between the German-American Bund and the Klan and whether both were financed by the German Government.

TABBUTT said he became interested in returning to the Klan early in 1965. He contacted SHELTON and showed SHELTON his 1936 documents. He told SHELTON he wanted a job as an investigator, establishing the fact that he had a long history as an investigator. SHELTON accepted him and made him head of the Klan Bureau of Investigation.

He traveled on behalf of the Klan to various places such as Falls Church, Va.; North Carolina; Washington, D.C., and Reading, Pa.

He claimed to have been to Falls Church, Va., several times, where he talked with SCHUYLER FERRIS, a former associate of GEORGE LINCOLN ROCKWELL. FERRIS had soured on ROCKWELL and TABBUTT expressed the opinion that he would join forces with TABBUTT to expose the Klan. TABBUTT claimed that FERRIS is close to Former General WALKER, and TABBUTT wanted the Bulletin to pay to send FERRIS to Arkansas or Texas to contact WALKER with the objective of making WALKER the head of the Klan in Texas. BOYLE pointed out this would be a substantial expenditure, perhaps \$1,000, and TABBUTT agreed it would cost that much. BOYLE refused.

In his anticipated testimony before the HCUA, TABBUTT said he will explain an interrelationship between the Klan, the Minutemen, and the John Birch Society. (Attention is called to my Airtel of 11/26/65, Page 3, wherein he offered to develop this sort of information for the benefit of the American Jewish Committee.) BOYLE asked for specifics, and TABBUTT said that he could establish that certain people belong to all three organizations. BOYLE discounts TABBUTT's ability to prove an organizational connection of the three groups, feeling that TABBUTT has "an overactive imagination."

TABBUTT said that he has met with ROY FRANKHOUSER, whom he described as the Head of both the Klan and the Minutemen in Pennsylvania (we are, of course, aware of many such meetings). TABBUTT also claimed, without giving his

PH 157-1663

source, that the Minutemen have developed certain special weapons. He described one which he said resembles an ordinary pipe for smoking tobacco, but fires a lethal cyanide pellet. He said the Minutemen had also developed a cyanide pellet which can be placed on the seat of an automobile and will serve to impregnate the clothing of an individual and, being absorbed into a person's bloodstream, be lethal.

TABBUTT said that he could prove that the death of DANIEL BURROS at FRANKHOUSER's apartment in Reading was not suicide, but murder. He said that the publicized stories reflected that BURROS had shot himself in the chest and then in the head, both wounds being on the right side. BURROS, however, was left handed. He said that he recently received a telephone call from a girl named [redacted] of New York. TABBUTT was then in the hospital. She wanted to talk with him regarding the murder of BURROS. TABBUTT wanted the Bulletin to finance his trip to New York to speak with her.

b6
b7C

TABBUTT said that his original purpose in contacting SHELTON was to rejoin the Klan and then to write a book for the purpose of exposing the Klan once and for all. In his testimony before the HGUA, TABBUTT proposes to expose SHELTON as an anti-Negro, as a bigot, and to show that SHELTON makes a great deal of money from the Klan. He said that SHELTON instructs the local Weagles that they may keep the \$10.00 dues collected from members, but SHELTON makes plenty of money from collections at rallies and through donations from businessmen. He claimed that he had received no money from the Klan, and that he hoped to write a book for the purpose of regaining some of the money he has put into the enterprise.

He said that he contacted the Bulletin for finances, as he did not wish to contact Negro or Jewish groups because it would then appear that he and they would have a special motive for discrediting SHELTON and the Klan. Later in the conversation, however, TABBUTT did disclose that he had contacted MURRAY FRIEDMAN, of the American Jewish Committee.

He also told BOYLE he had been interviewed twice by SA JOHN WINEBERG, of the FBI.

PH 157-1663

He claimed that he had been in touch with HEADLEY DONAVAN, of "Time," who was interested (DONAVAN is known to BOYLE as functioning as Editor-In-Chief of Time-Life publications). As a result, TABBUTT was contacted at the Mayflower Hotel in Washington by [redacted]. He did not furnish the date. [redacted] is personally known to BOYLE and is [redacted] of the Washington Bureau of Time-Life.)

b6
b7C

BOYLE assumes it is likely that TABBUTT may have contacted other publications in Philadelphia, but he admitted only to the contact with "Time."

TABBUTT said he has not testified at a closed session of the HCUA, but indicated that he had been "in contact" with the Committee. He did not specify which Congressman or investigator he had dealt with. In response to BOYLE's question, he said he had not yet been subpoenaed, but that a "subpoena would be arranged."

BOYLE plans to have a reporter contact the HCUA in an effort to determine in advance whether TABBUTT will actually appear as a friendly witness on the dates given. If so, he plans to have a reporter from the Bulletin sit in at the hearing, so that the Bulletin will have first-hand reporting.

TABBUTT claimed to BOYLE that two of the Congressmen on the HCUA are actually sympathetic to SHELTON. He did not furnish names. He claimed, however, that one of these Congressmen stopped at the table where SHELTON and TABBUTT were having lunch at the Mayflower Hotel and commented to SHELTON, "BOB, I know you personally are clean and all you want is power, but I have my job to do."

BOYLE questioned TABBUTT regarding Philadelphia area information which would be of special interest to the Bulletin. TABBUTT claimed that there are two active Klan groups in the area - one in North Philadelphia and the other in Upper Darby, a suburb of Philadelphia. He could not remember the name of the Head of the North Philadelphia group. He gave [redacted] as the Head of the Upper Darby group. (BOYLE commented that [redacted] does not appear in the pertinent telephone directory, although there are two persons in the phone book named [redacted]. Philadelphia indices are negative on

b6
b7C

PH 157-1663

[redacted] and contain no apparent pertinent or identifiable references to a [redacted].) He claimed that he had in his possession at home 40 applications for Klan membership from people in the Philadelphia area. This was part of the material that he wanted to sell. BOYLE asked for the names of six of the 40, so that he could check them out to determine if TABBUTT was actually furnishing accurate information. TABBUTT refused.

b6
b7C

BOYLE has no intention of paying TABBUTT any substantial sum of money and probably will pay him nothing at all. His principal interest is in the Philadelphia angle and he assumes that if TABBUTT appears as a friendly witness, the HCUA will also require him to produce specifics regarding any Philadelphia Klan groups and, particularly, the alleged 40 applications. If such names are produced, the Bulletin will have the people interviewed. Should TABBUTT recontact the Bulletin, BOYLE will advise this office. BOYLE assumes that TABBUTT may be attempting to peddle the story to other newspapers and publications in the Philadelphia area, such as the "Philadelphia Inquirer" or the "Greater Philadelphia Magazine."

SUGGESTION TO BUREAU:

It is suggested that the Bureau determine, if possible, whether the HCUA does, in fact, intend to produce TABBUTT as a friendly witness early in January and the extent of particularized information that is anticipated.

If TABBUTT appears and identifies himself as a "plant" who foisted himself on SHELTON and placed himself in a position to become privy to Klan membership information, etc., he will automatically have served most of the function that the proposed counterintelligence operation was to accomplish. BOYLE, for example, volunteered the opinion that if TABBUTT does testify, SHELTON and the Klan should be laughed out of existence. BOYLE, undoubtedly, is too sanguine, but it should be possible for the Bureau through news items, informants, etc., to insure that TABBUTT's testimony is given appropriate

PH 157-1663

significance and connotations. For example, each area and Klavern where TABBUTT has appeared should be appropriately impressed with the fact that he, undoubtedly, has the names of all Klan members and has furnished them to the authorities. This impression could obviously be re-enforced both through informants and through widespread interviews of such Klan members in Klaverns where such interviews have not already taken place.

On the other hand, it is felt that we must carefully re-evaluate the things we have previously planned to do in this counterintelligence operation. It is believed we should still consider the desirability of suggesting to the newspapers that they contact the Anti-Defamation League and the American Jewish Committee, so that they can publish the fact that TABBUTT had actually attempted to sell out the Klan both to the Negroes and Jews. It is questionable, however, whether we could, under the circumstances, successfully carry out the proposed letter from TABBUTT to SHELTON.

The Bureau will be kept advised of any future contacts by TABBUTT with the Bulletin.

On the afternoon of 12/28/65, [redacted] telephoned SA MORRIS S. HARTENSTEIN. He advised that TABBUTT had re-visited him on Thursday, 12/23/65. (This would have been prior to TABBUTT's last effort to sell information to the Bulletin.) He explained that his return to [redacted] had been delayed first because of an important meeting and then because he was hospitalized for a time suffering with angina pangs. He greatly modified his original proposal to [redacted] and no longer spoke in specific terms about a trip through the South and attendance at meetings, etc. He appeared to be badly

strapped financially, spoke about needing money to meet payments on his car, etc. Although no specific amount was mentioned, [] gained the definite impression that TABBUTT was trying to raise a moderate sum immediately.

b6
b7C

TABBUTT brought with him a number of documents which he exhibited to []. [] made no notes but described the material as "minor league correspondence" with people like BURROS and ROTELLA. He also exhibited a number, estimated at 20 to 25, of Klan application forms which had recently been filled out. [] remembered no names but had the general impression that most of these were filled out by persons with New Jersey addresses, generally in the Camden and Merchantville area, and some perhaps from the State of Delaware or Delaware County, Pa.

b6
b7C

[] was not especially impressed by the material TABBUTT offered. He feels that TABBUTT has some access to Klan activities in the Middle Atlantic area but could produce little that would benefit the AJC. He was very vague on this occasion regarding the relationship of the Klan and the extreme right-wing groups in which the AJC would have a special interest and [] felt he had very little concrete information regarding such a relationship. He did not talk in concrete terms regarding any long-range program. His comments related primarily to an area of four or five states, such as Pennsylvania, New Jersey, Delaware and New York. He claimed that the Klan had experienced great growth in this area, especially since July 1965 and since the start of the HCUA hearings. He offered no specifics regarding any Klan groups or Klaverns in the Philadelphia area.

b6
b7C

[] was asked whether TABBUTT gave any indication that he intended to reveal information publicly any time in the future. [] recalled that TABBUTT had said in some general loose terminology that he would "break this thing wide open," without specifying when or how.

b6
b7C

[] took up TABBUTT's latest offer with the national office of AJC and has received a decision that AJC would not be interested in purchasing TABBUTT's information.

b6
b7C

PH 157-1663

[] was about to call TABBUTT to let him know that he was being turned down but he felt that he would first check with this office to make sure that the FBI did not want to take advantage of such information as TABBUTT apparently did have.

b6
b7C

In the light of recent developments, [] was told that this office had no reason to request that he take any other action than he and AJC proposed to do.

b6
b7C

RECOMMENDATION TO THE BUREAU

The information from [] does not appear to change the Bureau's position as suggested in my airtel of 12/27/65. It would appear that TABBUTT is so desperate for immediate cash that he has been simultaneously offering his information to AJC on a confidential basis and to the Bulletin on a temporary confidential basis with the understanding, so far as the Bulletin is concerned, that he will be exposing himself within a very short time by an appearance before the HCUA. If, as is likely, TABBUTT knew when he made his latest offer to [] that he would shortly appear before the HCUA, it would seem that he was making a last-ditch effort to get a few hundred dollars for "confidential" information which would shortly become public in any event.

b6
b7C

[] and BOYLE have reported back TABBUTT's contacts with them, but it is quite possible that TABBUTT may also be attempting to peddle his information elsewhere. This supposition may be strengthened by the fact that he produced his documents for [] but when he appeared at the Bulletin said he had them at home and could furnish the Bulletin with Photostats. This may indicate that his documents were already in the possession of someone else to whom he has sold the information, such as the HCUA.

b6
b7C

On 12/28/65 Philadelphia papers carried a news item to the effect that the HCUA would resume its hearings on the Klan on Tuesday, 1/4/66.

The Bureau is requested to advise whether TABBUTT will appear as a friendly witness when the HCUA resumes its hearings.

On 12/30/65, [redacted] of the American Jewish Committee telephoned SA NORMAN L. HANDELMAN. He said that EUGENE TARNETT phoned him that morning. His manner was friendly and he asked if [redacted] would not act as a go-between to arrange for TARNETT's appearance before the HCUA on a friendly witness. did not query him either as to why TARENTI desired to meet with ALESSANDRONI or why he did not make his arrangements to appear before the HCUA through Senator SCOTT.

Following the discussion with Mr. ROSAT, [] was advised that there was a reasonable probability that TARENTI would within the near future be subpoenaed by the HCUA. If, however, [] and the AGC were disposed to contact with the HCUA on TARENTI's behalf possibly to arrange for his appearance without subpoena, he might do so within his own discretion.

b6
b7C

[] said that the normal contact of the HCUA and the HCUA was Mr. DON APPEL. In this situation the HCUA could not at this point see any benefit to itself from TARENTI and their only interest was in insuring that the Government received the benefit of whatever information TARENTI would reveal in his avowed intention to expose the Klan. Since it is now probable that the HCUA will subpoena TARENTI in any event HCUA is not likely to take any action along these lines.

MINUTEMEN

On 1/1/66, a confidential source, who has furnished reliable information in the past, advised that on New Years Eve (12/31/65) RICHARD SINGLETON of [redacted], Laureldale, Pa. who has been active in the Minutemen regularly exhibited a letter from ROBERT DE PUGH. Sources advised that DE PUGH's letter was addressed to SINGLETON and dated 12/27/65. It made reference to SINGLETON's letter of November 6, and indicated that DE PUGH concurred with the recommendation that ROY E. FRANKHOUSER be removed as area Coordinator of the Minutemen. A characterization of the Minutemen is as follows:

b6
b7C

"Minutemen" was organized in June, 1960. Its present headquarters is Norborne, Missouri, and ROBERT DE PUGH, Norborne, is its present leader. Statements by DE PUGH and literature distributed by the organization indicate its purposes to be the resistance to and exposure of the spread of Communist influence within the United States for the formation of a guerilla or underground organization to combat the troops of any foreign power which might attempt to occupy this country, and resist passage of laws which would restrict private ownership of fire-arms.

The letter continued that FRANKHOUSER was being removed forthwith. It concluded "Thank you for the money. We will send you more literature and names of prospective members. Continue to address mail to Biolab P. O. Box 68, Norborne." Letter also stated in substance he does not concur with suggestions to create confusion in the FBI. He strongly recommended against this as it could place "you" in a very embarrassing position.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency..

"Saturday - December 11, 1965

"REGINA KUPISZEWSKI had been living with ROY FRANKHOUSER at 133 S. 4th St., Reading, Pa., for at least a couple months and should be acquainted with most of the local members of the Free Corps who were active at that time as well as with some of the out of town persons.

"She undoubtedly is acquainted RICHARD SINGLETON, ED. and WILSON LOTZ, JOHN CANARIS, NELSON DELP, REX NEW, and GUS INTERRANTE. REGINA had been at the meeting held at the home of INTERRANTE near Schwenksville, Pa. This was an American Nazi Party meeting.

"She was also present at 133 S. 4th St. on at least one occasion when EUGENE TABBUTT came there, and on the occasion TABBUTT brought up the small two way radios REGINA took one of these and walked up to the Big Apple Bar at 4th and Cherry Streets testing the equipment.

"Nothing has been heard in recent weeks about CHARLES GRAUL, none of the local group profess to have any idea where he is now. CHERRY (from Baltimore) and TOM BRENNAN, the fellow from Albright College, have likewise not been around.

"The trio discussed the proposed new Headquarters to be located near Basket. SINGLETON said the items taken from the old Headquarters on Skyline Rd. are still in a garage. He said that he had talked again to the lady who has the place at Basket, she wants \$20 a month for the place which SINGLETON feels is too much money.

"SCHWEIKERT and SINGLETON mentioned that they had distributed about 1,000 Minutemen leaflets last Friday and another thousand were turned over to the men in the Pottstown area for distribution there. SINGLETON spoke as if there had been a third person with him and SCHWEIKERT when they put out the leaflets last Friday, and also said something about having taken longer than he expected Tuesday evening, so it is possible circulars were also put out before the three met.

"SCHWEIKERT is still keeping his present address secret, however he mentioned that he has a chance to purchase the house for \$5,000. Apparently from what he said, it is one half of a double house.

"SCHWEIKERT related that when EUGENE TABBUTT was given the \$1,000 by SCHWEIKERT to procure a copy of the "Elders of Zion" TABBUTT signed a \$1,000 note or receipt. TABBUTT also allegedly gave ROY FRANKHOUSER a note for \$600.00. Now TABBUTT is reneging on his promises. SCHWEIKERT wants to immediately contact attorney [redacted] and institute suit against TABBUTT, but FRANKHOUSER, he said, wants to hold off awhile before taking any action. SCHWEIKERT is afraid to go see TABBUTT because TABBUTT always carries a gun. SCHWEIKERT spoke to both Mrs. [redacted] and ROY FRANKHOUSER on the telephone about the TABBUTT affair.

"SINGLETON claimed that the FBI have interviewed some of his neighbors, he mentioned the persons across the street. SCHWEIKERT claimed that last Friday when he left the Post Office he was followed. CANARIS told SCHWEIKERT that his [redacted] license 'sticks out like a sore thumb' and that he would be smart to get rid of it as soon as possible."

The handprinted note enclosed read as follows " I think you should know that Roy has another girl who he is talking about marrying. She goes to his fathers house at night after work. Fix him . J.C. "

The note was printed on the reverse side of a yellow printed form part of which was torn off, but the following legend is visible " Requisition for Purchase Order" also " Form # 5 2M 4-62 " It is perforated at one end with two holes apparantly for insertion in a loose leaf folder. Holes are spaced 2 3/4" OC.

FRANKHOUSER said that he was leaving Reading on Saturday 12/18/65 and would be back in a day or so, returning by Sunday for sure. He claimed he had not seen [redacted] lately, but [redacted] had mentioned about a day previous that he had talked to ROY . After he returns, FRANKHOUSER wants to meet with [redacted]. FRANKHOUSER wants [redacted] to help him prepare a report to be presented to the Investigating Committee in Washington, D.C. FRANKHOUSER mentioned that he must be in Washington D.C. at 8:30 AM Januar 4, 1966. The building he mentioned had a name something like the Keene Building ROY said this is where the U.S. Marshal will be. FRANKHOUSER specifically said that he wanted the data regarding a Communist Group that he had once infiltrated for this report. He indicated that he will talk to the investigating committee.

"REGINA also related that she has another letter. Apparently this one contains some kind of a threat. She said it was addressed to her as JEAN KELLER, and mentioned that she like ROY might lose an eye. REGINA claimed that this letter had to come from someone in the group, because no one else knew her code name.
